

Lotus Gratitude Growth Wheel

Make it with your hands. Practise it with your heart.

WHAT YOU NEED

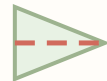

- paper or cardstock •
- colours • scissors •
- split pin or string

MAKE IT

1. Colour each lotus petal and the gratitude window.
2. Cut the outer circle and the pointer.
3. Ask an adult to help you make the centre hole.
4. Spin the wheel and say one gratitude thought each time it stops.

CRAFT TEMPLATE

Cut solid-outlined parts. Fold only where the fold guide appears.

Cut the arrow and attach it at the centre.

WHY THIS CRAFT MATTERS

Like a lotus, gratitude can grow even when life feels muddy.

Spin once tonight and thank one person, place, or gift from your day.
