

Ganesha My Bestie: Opening Screens + Modak Voiceover Script

Prepared on: 2026-05-06 10:45

1) Main Welcome Screen

Voice line: "Hi bestie... I'm Ganesha. Come play with me."

Source: `src/lib/components/navigation/MainWelcomeScreen.jsx`

2) Create Profile Screen

Voice lines used in create profile flow:

- "What should I call you?"
- "How old are you?"
- "Pick your friend!"
- "Tell me your name." (idle prompt)
- "Nice choice!" (avatar selection)
- "Yay, {name}! Let's go!" (after profile creation)

Source: `src/lib/components/navigation/CleanProfileSelector.jsx`

3) Main Map Screen

- "Tap Symbol Mountain ? that's where we start!" (first load intro)
- "Tap Symbol Mountain whenever you are ready!" (idle nudge)
- Unlock VO lines as zones open:
- "Look! The Shloka River is flowing!"
- "Come inside! The About Me Hut is open!"
- "The cave doors are opening!"
- "The festival has begun!"

Source: `src/pages/CleanMapZone.jsx`

4) Modak Scene Sample (For Voice Artist)

Suggested sample sequence:

- 1 "Mooshika is nearby. Let's find the sweet modaks."
- 2 "Mooshika is hiding. Tap the mounds to find him."
- 3 "There he is... my little friend."
- 4 "You looked closely... and found him. Say it with me... I can focus."
- 5 "Look... sweet modaks. Tap them to collect."
- 6 "You found them... one by one. That feels good. Say it with me... I am full of joy."
- 7 "Let's enjoy the sweet modaks... drag them here."

8 "You gave... and it felt good. Say it with me... I feel good inside."

9 "You have a kind heart!"

10 "You found Mooshika. You felt joy. You feel good inside. All yours."
